All candidates for teacher licensure are required to be fingerprinted and pass an FBI background check prior to enrolling in FLANG 276. Go to 350 MCKB for fingerprinting and an FBI background check. Allow 2-3 weeks for processing. Fingerprint clearance is valid for three years only. If clearance expires prior to student teaching, candidates must repeat the fingerprint clearance and fee process. Failing to expunge or clear up a police record of any kind prior to the background check may result in a blocked registration while a review board investigates the charges. Candidates who do not pass an FBI background check will be removed from the teacher education licensure program.

Student teachers/interns must complete required forms in their myLink accounts and attach their TWS to their myLink account for their program. All requirements must be completed to be cleared for graduation.

#### THE DISCIPLINE:

Students of foreign language and literature develop fluency in another language as well as sensitivity to their own language and cultural heritage, to the contributions and diversity of other peoples, and to the advantages of an international perspective.

#### CAREERS:

Experience with the intellectual, artistic, and spiritual expressions of other cultures and of their own culture helps students qualify for advanced study at graduate and professional schools, especially in linguistics, literature, language teaching methodology, library science, humanities, business, law, and medicine. Those who accept employment on completion of the BA degree frequently serve in a government agency, in international business, or in education.

#### LANGUAGE RESIDENCY PROGRAMS

German Language Study Abroad (Germ 201, 202, 311R, 344; 302 or 330). An opportunity for developing language proficiency as well as for becoming better acquainted with the history and culture.
of Europe. Spring and Summer terms.
Prerequisite: Germ 102 or equivalent.

**German Internship Program (Germ 311R, IAS 397R; Germ 399R or IAS 399R).** The BYU German program is pleased to offer a broad range of short-term internship opportunities in German-speaking countries. Students receive individual help to find and prepare for a work experience that will improve their German-language skills and provide a meaningful context for their academic studies. Completion of Germ 202, or an approved equivalent, with at least a B+ grade is required.

**Foreign Language Student Residence (Germ 311R).** An opportunity to live with other students who have pledged to use only German within the house and with head residents who are native speakers of German. Enrollment in a German class in addition to 311R is required while living in the house. Prerequisite: Germ 102 or equivalent.

**German-Speaking LDS Mission or Other Extended German-Speaking Residency.** Advanced students enroll in Germ 330 and, if desired, complete examinations for Germ 101, 102, 201, and 202.

**Study at a German University.** The department strongly recommends that students spend their junior year at a German university taking courses that will apply toward the major. Universities in Germany charge no tuition, so, even though living costs are generally higher, with careful planning and modest financial support, most students find they can study at “Provo parity,” that is, for about the same amount as a year of study in Provo. For advice about how to enroll and what financial support is available, contact the department office.

**MAP DISCLAIMER**
While every reasonable effort is made to ensure accuracy, there are some student populations that could have exceptions to listed requirements. Please refer to the university catalog and your college advisement center/department for complete guidelines.
